LAT/LONG: 42.2107194, -114.889183

DIRECTIONS: From Twin Falls, take US 30 W for 6 mi to US 93 S; go 31 mi to Rogerson; turn R (W) just past the Rogerson Service and RV Park; at the intersection with 1520 N (3 Creek Rd), turn R and follow road 17 mi to Cedar Creek Reservoir; turn R (N) for reservoir.

In spring look for Sage Thrasher and Sagebrush, Brewer's and Vesper Sparrows. Numerous Greater Sage-Grouse leks are in the surrounding area. Common Loon, Sandhill Crane, and Tundra and Trumpeter Swans can be seen. Ruddy Duck rafts are a common sight. During fall, if water levels are low, shorebird viewing is excellent. Look for Western, Least, Baird, and Pectoral Sandpipers. Golden Eagle, Red-tailed Hawk, and Northern Harrier are common.
